FIND PARADISE AT THE NEW PARADISE PALMS RESORT ORLANDO

La Rosa Development Corp opens the doors to a stunning new vacation home community in Orlando, Florida

La Rosa Development Corp. announces the grand opening of their newest project, **Paradise Palms Resort, Orlando, Florida**. Paradise Palms Resort is a new and unique vacation home community nestled in lush, tropical landscapes and home to a spectacular 10,000 square foot clubhouse and 5000 square foot pool and spa.

This beautiful new Florida community boasts a large family game room, fully equipped workout facility, 50-seat movie theater, kids play area, concierge service, lighted tennis courts, tikki bar and restaurant that overlooks the pool and lush tropical flora.

The spacious, elegant townhomes have custom floor plans, private pools, are fully furnished and professionally decorated with over five different color schemes to choose from. All townhomes are designed specifically to accommodate the vacationer and their family. With an innovative state of art infrastructure, **Paradise Palms** is able to offer a *Resort* Vacation Experience previously unavailable to a vacation home traveler. The entire project has a "high speed" backbone that now delivers digital phone, Internet and interactive television with full hospitality capabilities to all of the homeowners.

Minutes from Walt Disney World, Animal Kingdom, Universal Studios and Sea World, this community offers the vacationer an opportunity for both seclusion and a fun day at the Parks.

Paradise Palms is an opportunity to own a second home that generates rental income throughout the rest of the year. Starting in the low \$300's Paradise Palms is an excellent investment for anyone who is looking for the perfect vacation home.
